Dear Parents/ Carers,

It was lovely to see everyone back at school last week following the holidays. Children were really engaged in their learning and looking forward to the term ahead. The cross country running event on Friday was wonderful; it was super to see so many keen runners. Thank you to all those that helped out at the event and to Mr Lee for organising it. Mr Lee is going to organise another cross country event for later in the term (more details to follow in due course).

Thank you to all the children and parents that attended the Family Service last Sunday. In particular, well done to Thomas Hewett who read a passage from the Bible beautifully as part of the Service.

We hope that you will be able to attend the SPSA meeting tomorrow night from 8pm in the Staff Room and look forward to seeing you there.

As the weather forecast predicts a patch of colder weather over the next week, please can you make sure that your child has a warm coat and if possible a hat and gloves in school for them to wear at break times and for their outdoor learning.

### **FREE 2 hour cycle confidence sessions**

FREE 1:1 or 1:2 two hour cycling confidence sessions are available for adults living or working in Exeter, Exmouth and the surrounding areas. From complete novices to those who just haven't ridden for a while, friendly instructors are there to help you get where you need to go.

LED are working in partnership with Devon County Council and the Department of Transport to offer this opportunity. If you are over the age of 16, live or work in the Exeter and Exmouth area and have thought about cycling more, LED can help.

The Exe Estuary Route offers one of the most enjoyable cycle paths in the country and can take you between Exmouth and Exeter almost entirely on a traffic free path. An enviable commute or a fun few hours make a great day. Exeter has an extensive network of its own paths, including the fabulous Quayside route, making the bike a great way to avoid the traffic congestion and stresses of driving. Traffic free trails are proving increasingly popular and can now be found linking Broadclyst and Killerton or Exmouth and Budleigh Salterton as well as plenty further afield.

Cycling to and from work can be one of the most effective ways of fitting in regular physical activity and the daily commute can become a pleasurable part of the day especially with some of the best views around.

To book your training please call 01395 562507 or email [outreach@ledleisure.co.uk](mailto:outreach@ledleisure.co.uk). For more information on cycling in Devon please visit [www.cycledevon.info](http://www.cycledevon.info)

### **Bag2School**

As a nation we throw away about 1,500,000 tonnes a year of clothes of which the textile industry handles around 300,000 tonnes, there are, therefore, over 1,000,000 tonnes still going to landfill sites. Bag2School is working with DEFRA on the Textile Roadmap Process for reuse and recycling and the newly formed RITE Group which is committed to sustainability and ethical production of textiles.

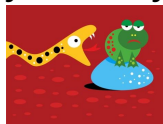

Since 2001 Bag2School has paid £15,000,000 to schools.

They will pay the school for good quality second hand adults and children`s clothing, sheets, blankets, curtains, soft toys, shoes, belts and handbags. The children should all come home with a bag today, there are a few spare bags in the office should you need any. Please ask friends and family to have a clear out too, any money made will be payable to the SPSA, and will in turn directly support the children of our school. We will be having a collection from **Bag2School on 11<sup>th</sup> February at 9am** please bring in your bags on this day only, as we don't have the space to store them beforehand.

Many thanks for your support.

### **Otterton Mill**

East Devon attraction Otterton Mill **will re-open on Wednesday 16<sup>th</sup> January**, after a two month closure following catastrophic flooding.

The ancient Mill was engulfed by flood waters at the end of November last year, and has been closed ever since while extensive building works and cleaning takes place. Mill owners Caroline and Simon Spiller, and a handful of staff and contractors have been working throughout the Christmas period to repair damage, clean and dry the buildings and site.

Caroline said "We are delighted to announce that the buildings works have been completed on schedule, and we will re-open from Wednesday 16<sup>th</sup> January. The nature of flood damage is that more issues emerge over time, and we've had to deal with a few more last minute repairs over the past few days. However, we are now raring to go, and welcome back our customers."

Caroline added "We're celebrating our re-opening with a sold-out gig with local folk hero Steve Knightley on the evening of Thursday 17<sup>th</sup> January. And next week, on Thursday 24<sup>th</sup> January, the mill workings will come alive as we mill for the first time since the November floods. Amazingly, the ancient mill machinery was undamaged by the flood waters."

Following the re-opening, the Mill's cafe-restaurant and food shop will operate from Tuesdays to Sundays (closed Mondays). The Mill building which houses the Mill workings, shop and Gallery will be partially open until the end of February. From March onwards, the whole site will be fully open 7 days a week. Opening dates and hours are listed on the Mill's website and Facebook site.

Caroline added "We'd like to thank everyone who has provided support and practical help during our closure, including Otterton villagers, our customers, members of the local business community, and our wonderful team of staff."

More information on the clean-up and resumption of business, including opening days and times is available via the Otterton Mill website, [www.ottertonmill.com](http://www.ottertonmill.com) and Facebook page

## Parent Questionnaire Feedback

Thank you to all families that took their time to fill in and return parent questionnaires in November. It is fantastic to have nearly 60% returned. Please find below the percentages that agreed with the statements asked. So we can track the improvement of the school we have included the percentage that agreed with the statements in 2011 and the percentage change. We also received many constructive comments about all elements of the school life. These will be discussed along with class by class results and considered at governor, senior leadership and staff meetings to continue to improve the school further. This data will also be shared with Ofsted to assist any inspection.

We always value your comments and feedback and remind you that you can continue to do this in the following ways:

- By speaking to Mr Elliott, Mr Lewis and Mr Perkins on the playground before school.
- By seeing your child's class teacher before or after school.
- By completing a 'Message to Teacher' form in the entrance lobby and handing it in to the School Office.
- Attending Parent Forum meetings or speaking to your child's Parent Forum Class Representative or putting a suggestion in the Parent Forum box by the School Office.
