Dear Parent/ Carer

This week is the national phonic screening tests for all pupils in Year 1.

#### **Staff news - Caretaker & Crossing Patrol**

Next Tuesday, will be Mr Williams' last day as he is to go into hospital for an operation on his leg. He will be absent from the school for at least 6 months and I am sure that

you will join me in wishing him well and also a speedy recovery. In the meantime, Devon Norse have supplied a relief Caretaker who is Mr Tweed. Mr Tweed will also do the road crossing from Monday 1st July and Mrs England will do the three days up to that date.

I am also pleased to inform you that Mr Sidaway-Lee has become a father. His son Benjamin was born over the last week-end. Mr Lee is now absent taking two week's paternity leave. Parents of children in Year 6 have been informed of how we intend to cover the absence.

As you know, Mr Thomas is to leave St Peter's at the end of the term. Governors have appointed a new teacher called Miss Back BA Hons (Exeter) who will join us in September. Miss Back has strengths with ICT and Music and will be a welcome addition to the team.

### **Nutritional standards (advice)**

The school has a duty of care to ensure that all food consumed on the premises meets national nutritional standards. The menu for school dinners is carefully balanced to ensure these standards are met. Bearing the standards in mind, schools (including St Peter's) make the decision to ban crisps and sweets (except for the occasional treat at an event) because of the excessive fat and sugar content. I have noticed that these items, including other questionable processed food, are now more common in children's lunch boxes. Please ensure that the lunch boxes contain healthy foods and are balanced over the week. Thank you for your co-operation.

### **Ottertton Football Tournament.**

Thank you to the many parents who escorted the four St Peter's football teams last Saturday to the annual Ottertton tournament. I am told that all teams played very creditably, showing good sportsmanship. I particularly congratulate the under 8 team on the success of their tournament, winning every match convincingly and becoming the overall tournament winners.

### **Educational visits**

At this time of the year many classes are out and about visiting local places of interest. Last week the year 5 class visited the gravel beds on Woodbury Common as part of their conservation project on Environments. The children got a great deal of educational benefit from the visit with subsequent quality learning outcomes. You will be pleased to hear that the children were greatly complimented on their well-mannered behaviour and levels of interest.

### **The Budleigh in Bloom Art Competition**

This has now be judged and the organiser Mrs Sue Griffin and the judge Mrs Katie McDermott presented prizes last Friday. Mrs Griffin volunteers her help with the Eco Club at school.
