 Anyone can make a difference

Dear Parent/ Carer,

This Saturday 6th July the SPSA will be holding the annual summer fayre starting at 12.00am and ending at 3.00pm. We look forward to your support. I am informed that the sunshine will be out on that day and it will be a great event for all the family. The SPSA at their last meeting has already agreed to fund the following - £1000 to the

Foundation Stage to buy some much needed large equipment, £500 to purchase books for our topic work, £400 towards a theatre company coming to school next term and £130 towards the cost of licences for the ICT program

Preparations are in hand for the organisation of the school for next September and I am pleased to share them with you by the end of the week.

At the end of the week we shall say good-bye to some of our trainee teachers and I should like to thank them for their hard work and to wish them well in their careers. Mr McKee from Exeter University leaves today and Miss Steenson, Mr Shore and Miss Wood from Plymouth University leave on Friday.

Headteacher awards for June

This is to be the last time that the list will be published in the newsletter. This has been a contentious issue for some parents and after discussing it at Parent Forum last night I have made the decision not to publish the names from next month.

St Peter's Writing Showcase!!

<http://stpeterswritingshowcase.primaryblogger.co.uk/>

Here you can read and comment on writing from our children. Just read the welcome page for instructions. All comments are subject to moderation before they appear on the site. If your child is showcased they will bring home some 'business cards' which can be shared with family and friends so they can visit and comment on their writing. Each week in the newsletter we will list the names of the children featured in the Writing showcase. Writing is chosen where children have made a real effort to produce their best writing and we aim to show a wide range of writing genres from each year group. There are also folders of specific writing projects - check out our 80 word stories from World book day by Y3 and Y5 in the 80 word stories folder.

The writing showcase is also available via our school website <http://www.st-peters-school.org.uk/> and clicking on children zone. Writing showcase is the fourth tab along. Also tweeted from @BudleighStP.

Showcased this week are the following children:

Y5: Rory Craib, Liam Whiteman, I euan Brockway, Bechan Wills-Dixon, Tom Real

Y3: Leo Gray

Y2: Finlay Cotton, Georgia Curtis, Leo Wood

Twitter

The last few weeks have been very busy and communication from us to you is a key priority. As well as weekly newsletters, event letters, notice boards, phone messages and the school texting service, we also have a twitter account. This allows us to post out (tweet) news in real time as it happens to all followers. So far we have 226 followers - about 50 of whom are parents of the school. The have reported that it has been very useful - recent examples include when the coach was late from Escot and the cancellation of Youth Club. I also tweet photos of school events.

Parents can also use it to tweet us questions for clarity and engage in dialogue or request further information. I also use it to re - tweet articles and resources of interest to parents of primary age children and anything of local interest.

The website is www.twitter.co.uk and our handle is @BudleighStP (find it in searches as St Peter's Primary). Alternatively, the twitter feed appears live on the school website if you would prefer to just check it daily.

I was overheard as saying that I would do a dance in the playground if we got more than 300 followers..... #twitterdance.....
