St Peter's School Association Information 2014/2015

Welcome to St Peter's C of E Primary School and the School Association.

You may not be aware of it, but you are in fact part of St Peter's School Association (SPSA). The SPSA is a registered charity and all parents/carers/grandparents etc... have automatic free membership. We hope this sheet gives you a taster as to what we do.

What do we do?

We're a group of parents and teachers who raise money and organise community events for our lovely school. All parents & carers of pupils at St Peter's are considered members of the St Peters School Association (SPSA) and we welcome new faces to attend meetings and/or get involved in our events!

We exist to support the school and supplement/pay for things that will enhance and broaden the pupils educational opportunities and resources. We do this through a range of fund-raising activities. For example last year we raised over £3000 (WOW!) doing a Super Swimathon. This money will go towards the cost of a new roof for the school community pool.

SPSA Super Swimathon Team

We were proud of the support that we received from Budleigh Salterton community for this event.

How can you get involved?

You can get involved as much or as little as you want. In the first instance please e-mail us on spsa.budleighsalterton@gmail.com and provide an up to date e-mail address so that you can be added to the SPSA contact list. This way you will be kept up to date with all of our help requests, events and socials.

Please note: The school office does not share your contact information with us. The only way we will know if you want to get involved is if you e-mail us directly.
